body treatments.

chocolate therapy

This deliciously decadent package is a chocolate lover's fantasy. Begin with an energizing chocolate body scrub, followed by a deeply nourishing body wrap using a smooth chocolate blend followed by a relaxing massage.

greek argil therapy

Argil (clay) cleanses and hydrates the skin, tightens the pores and removes dead cells. Argil has the power to refresh your body completely by removing all toxins.

traditional olive oil treatment

A Great body therapy for detoxification and relaxation. Includes a body scrub with Greek olive oil and salts, followed by a full body massage with warm olive & essential oils.

honey bodycare

Enjoy body peeling with sugar and honey on your skin. The granules of sugar remove dead cells improve the skin texture and gives shine and softness. The properties of honey help detoxification and skin toning.

aqua thalassotherapy

The body sea salt scrub removes dead skin cells, triggers tissue microcirculation and improves its texture. The skin is softer and hydrated.

sea salt scrub

The body sea salt scrub removes dead skin cells, trigger tissue microcirculation and improve its texture. The skin is softer and hydrated.

aqua soothing therapy (After sun)

Enjoy one of our luxurious body treatments for a softer-to-the-touch skin that radiates health. Carefully sooth your skin by this nourishing and hydrating body care.

watermelon treatment

Hydrating and anti-cellulite treatment, which springs freshness. Contains hyaluronic acid and avocado oil. Helps activate blood circulation and lymph, removes toxins and accelerates fat burning.

facial treatments.

GUINOT
INSTITUT • PARIS

hydra beaute

This hydration program for sensitive skin from Guinot gives hydration and radiant look. The products of Guinot penetrate the skin and create a skin protecting layer.

liftosome

Tones and tightens the skin. A firming facial treatment that helps to smooth facial features, that also activates cellular functions.

soothing facial

After sun therapy to regain skin balance to your face. Redness fades and the skin is soothed. The skin gains extra protection.

hydradermie andirides

Anti-aging therapy. Skin looks younger after treatment. The skin becomes firm and wrinkles gradually fade. The results are visible from the very first treatment.

aromatic

Glow therapy, relaxes and moisturizes the skin. This Essential-oils facial massage creates the ultimate in relaxation. Skin is toned and radiant right after the first treatment.

eye treatment

Eye treatment using yeast and floral plants that help reduce dark circles. Contains cornflower extract - which has soothing properties. Offers tightening and freshness.

oxygen therapy

Face therapy that combines oxygen and honey most appropriate for toneless and tired skin. This unique combination gives skin an extra glow and energy while simultaneously moisturizes and tones it.

Bernard Cassiere products suitable for people with sensitive- allergic skin. All natural products.
